TAXES DONE FOR FREE THROUGH AARP

Unlike previous years, AARP Foundation tax preparers will only be here on one day, and that day is **Friday, March 13, 9:00 am - 4:00 pm.**

However, they will be bringing three preparers instead of two.

AARP Foundation Tax-Aide offers free tax preparation to anyone of any age - especially if you are 50 or older or can't afford paid tax preparation.

To schedule an appointment (required), please call 316-799-2471.

Please note: Tax-Aide volunteers are trained to help you file a variety of income tax forms and schedules but there are some returns they are not able to help with. More information is available at the library and at aarpfoundation.org/taxaide.

After you've made an appointment, please come to the library and pick up a list of items to bring and a questionnaire to complete before you come to your tax appointment.

MOBILE PRINTING FOR FREE IN JANUARY

"Is your home printer giving you fits? Are you tired of replacing expensive ink cartridges? Do you wish you could print in color? Well, now you can!"

The article in the December newsletter entitled "Printing Woes? Let Us Help You with That in January" explained the free demo of a cloud-based printing product called Princh. Since we are getting the trial for free, we are passing the savings on to you in the month of January.

Bring in your mobile phones, tablets and laptop computers and print something in black ink for FREE. Then tell us how you like it!

What to wear in the winter:

- * Several thin layers will keep children dry and warm. As a rule of thumb, dress older babies and young children in one more layer than you would wear.
- * Don't forget warm boots, gloves or mittens, and hats.
- * When riding in the car, babies and children should wear thin, snug layers rather than thick, bulky coats or snowsuits.
- * Avoid blankets, quilts, pillows and other loose bedding in your infant's crib. It is better to use a one-piece sleeper to avoid possible suffocation.

Good Words from Chaplain Mike

We want to thank those families and those of the churches and community that shared in our November Thanksgiving Service and in our Resident Christmas Party. The residents and staff appreciated your attendance and all that everyone does throughout the year. 😊

We wish God's blessings on each one in the New Year.

TAXES DONE FOR FREE THROUGH AARP

As reported in the January newsletter, volunteers from the AARP Foundation will be preparing taxes in Whitewater on **Friday, March 13**, from **9:00 - 4:00 pm**. Because there are now four preparers coming, five new appointments are available. Call 316-799-2471 for an appointment. Please note the location change from the Whitewater Library to **Centre Point Church, 212 South Main, Whitewater**.

FREE MOBILE PRINTING TRIAL ENDS

While the Princh trial mentioned in the January newsletter began on a high note, we have decided to try a couple of other cloud-based printing services due to the technical difficulties we experienced throughout most of the trial. Stay tuned.

"YOU & ME" CRAFT DAY: REGISTER NOW

Instead of offering an Adult Craft Day or Child Craft Day, we have combined the two into a "You & Me" Craft Day. Adults can bring a child and create a lasting memory by making a spring wreath together on **Saturday, February 15, 1:00 pm**. Register online or at the library. Limited class size.

SPRING BREAK EVENTS

March will be a busy month at the library. In addition to the AARP Tax Preparation Day, we will be celebrating Women's History Month with a 4-part speaker series (see flyer elsewhere in this newsletter) and hosting special events during Spring Break Week. Watch the usual places for more information.

Virginia Skinner, organist, will present *"A Historical Account of the Kimball Pipe Organ of the Peabody United Methodist Church"*. The Peabody UMC Kimball pipe organ was acquired and installed in 1938 where it has provided heart-inspiring music ever since. Virginia researched the organ in 2008 when it turned age 70, and the church rededicated the organ at that time. Virginia plays this Kimball organ on Sunday mornings and special occasions, and she teaches organ and piano lessons in the Peabody area.

Disc Golf is coming to Whitewater!

Disc golf is designed to be enjoyed by people of all ages. Making it a great lifetime fitness activity. Because disc golf is so easy to learn, no one is excluded and players merely match their talent to each other and have fun from there. Disc golf is a flying disc sport in which players throw a disc at a target. The rules are similar to golf. The lowest score at the end is the winner. The best part is that it is free to play.

Nine baskets have been generously donated from businesses and or residents of Whitewater. The money raised so far will go to the baskets, concrete to set them, and natural tee boxes to throw from. Later on, once everything is set in place, there will be tee off signs made to show you where the hole is and the distance.

Whitewater Memorial Library has offered to purchase disc golf sets so kid's, adults or the whole family can go to the library and check them out and go play without having to own their own disc's to play.

We are still hoping for any donations for additional nine baskets to make it a full eighteen-hole course, upgraded concrete tee boxes. Any amount of donation is greatly appreciated. Donations can be dropped off at the city building with a note saying, for the disc golf course. Please feel free to contact Trent Clark with any questions you may have. 316-841-4388. Call or text.

Hats off to the people that generously donated a basket!

Friends of the Library *Chair-ity* Auction

Do you have wooden chairs stacked in a corner collecting dust? Would you like to donate those chairs to a great cause? Friends of the Library are planning a *Chair-ity* Auction in November as a fundraiser for Whitewater Memorial Library and Potwin Public Library.

Please call 316-799-2471 (Whitewater Memorial Library) or 620-752-3421 (Potwin Public Library) about donating your wooden chairs. We are also in need of artists to paint the donated chairs. Chairs will need to be sealed with a paint sealant upon completion.

If you determine to paint a copyrighted logo, you must first get permission. A Friends of the Library board member (Karen Hujing, Pam Harber, or Lori Furgason) will help you with this process. If you would like to paint a chair, please leave your name and telephone number with your local library. Your donation of chairs and artistic talent are greatly appreciated! All proceeds go to programs at Whitewater Memorial Library and Potwin Public Library. If you would like to become a member of Friends of the Library Whitewater, please contact Pam Harber or Jean at the library.

Good Words from Chaplain Mike

In preparation for Resurrection Sunday, or Easter, next month, a good verse on the cross of Christ is Philippians 2:8: "And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross." How grateful we should be that He became our substitute and paid the price for our sins!

Carson Brackenridge presented a demonstration on "How to Wire an Electrical Outlet". Rustin McLaughlin did a project talk about her Bucket Calf from last year at the fair. Donovan Brewer did a presentation on "How to Make an Auger for a Combine". The club then participated in the game, "Cat and Mouse" led by Jacelyn Johnson. Frederic Remington Historical Society

April 6, 2020, Monday at 7:00 p.m.
at Frederic Remington High School,
8850 NW Meadowlark Road, Whitewater, KS 67154

Carmen Fasnacht, granddaughter of Agnes Harder, will present *"The Cox House: A Homesteader's Legacy"*. Imagine if you were a Kansas pioneer with your new 160 acres of prairie, what kind of house would you build? Would you build a small wood frame house to get by, or would you build a limestone house that could stand the test of time? Carmen will tell the story of pioneer Warrick Cox, who built a limestone house in 1882 that still stands on her and her husband Andy's property between Peabody and Burns. It is just one of many stone houses and barns in our area and on up into the Flint Hills, made with locally quarried limestone.

Join the Frederic Remington Area Historical Society tour to the ancient city of Etzanoa

On Saturday, May 2, 2020, the Frederic Remington Area Historical Society is planning a trip to Arkansas City, KS to learn about Etzanoa, a city of 20,000 people that existed over 400 years ago and is possibly the largest prehistoric Native American city in the U.S. and Canada. It was situated along the banks of the Walnut River in Cowley County. Included in the trip will be a visit to the Cherokee Strip Land Rush Museum in Arkansas City where a documentary on the discovery of Etzanoa will be viewed after which a tour will be given of several landmarks, including the site of a battle that took place in 1601. The film and tour will take 2-3 hours. On the way home, a visit to the historic mill in Oxford, KS, built in 1874 is planned.

The cost of the tour is \$15 for members and \$20 for non-members. The tour includes transportation, museum admission and a meal.

RSVP by email to dkclaassen@gmail.com or by phone to (316) 799-2207. Reservations are due by March 27 and payment is due by the April FRAHS meeting. Checks should be made out to FRAHS. If unable to attend the April meeting, payment may be mailed to:

Need Wi-Fi? It is available 24/7 outside the library building.

For *essential, time-sensitive* **printing/faxing**, you may email your items to whitelib@sbcglobal.net or we can arrange a handoff through the book return on the east side of the building.

From 10:00 am - 1:00 pm Monday - Friday until further notice a staff member will be in the library taking care of requests and answering phone calls.

The library is now a **Whitewater Area Food Pantry Distribution Site**. During this pandemic, please use the pantry as your hometown grocery store. **Porch delivery is also available.** To order:

NORTH BUTLER 4-H CLUB

The North Butler 4-H Club met on Monday, March 9, 2020 at Emmaus Church. That night the club participated in a fun event, Parents Night. During the meeting, each parent took on the role of their 4-H child. The meeting was called to order by President, Peggy Henley. Vice President, Judy Ingalsbe, assisted the president. Ann Brackenridge led the Flag Salute and 4-H Pledge. Roll call was answered by "A Place I Volunteer At" by 12 members' parents. Kiley Miller, Secretary, read the minutes of last month's meeting. Desiree Ingalsbe gave a presentation over her upcoming 4-H International summer program to Taiwan. In new business, the club voted to give her a monetary donation to help with trip expenses. The program began by Ann Brackenridge, Cargill, giving a talk over meat versus plant proteins in Quick Service Restaurants. Mindy Amend gave a talk of "4-H Then and 4-H Now". She showed old sewing projects from when she was in 4-H and gave examples of 4-H skills she uses today. Kiley Miller shared her talent by singing and playing the guitar to "Home on the Range" and "Apples and Bananas". Refreshments were served by the McLaughlin family. Due to the COVID-19 outbreak, the April Meeting has been canceled.

News from the Manor

****NOTICE****

Latest guidance from CMS and CDC on visitation effective immediately for ALL nursing home facilities nationwide. Visitation for all visitors and non-essential health care personnel, is now prohibited except for certain compassionate situations, such as end-of-life. Signs are posted at the entrance of the Manor. Please continue to pray for our staff and residents as we continue to care for one another during this crisis.

Keeping our eyes on Jesus in the midst of the storm

Many have expressed concern at not being able to visit with residents in person. We are making use of technology [i.e., ZOOM, Skype and telephone] to stay connected.

Many of the people in our community feel helpless in these circumstances. What can we do?

We can pray!

We have interviewed our residents and asked who would appreciate prayer. The ones that said "yes" have this picture [Praying Hands] in the window of their bedroom.

We are doing this from 10:00 AM to 12:00 PM every day until the quarantine is over. You could come to Wheat State, even for just a few minutes on any day you choose. You can stay in your car if you like. You can walk around the building, everywhere there is a sidewalk. We would ask you to respect privacy by not peering into the windows.

When you see the Praying Hands (pictured below) in the window, please pray. Thank you, and God bless us all.

Good Words from Chaplain Mike

I have shared the following Bible verses with residents in this time of national and international difficulty: Proverbs 3:5,6; Isaiah 26:3; Philippians 4:6,7. Read them, study them and meditate on them. They are a great gift for the one who believes in Christ.

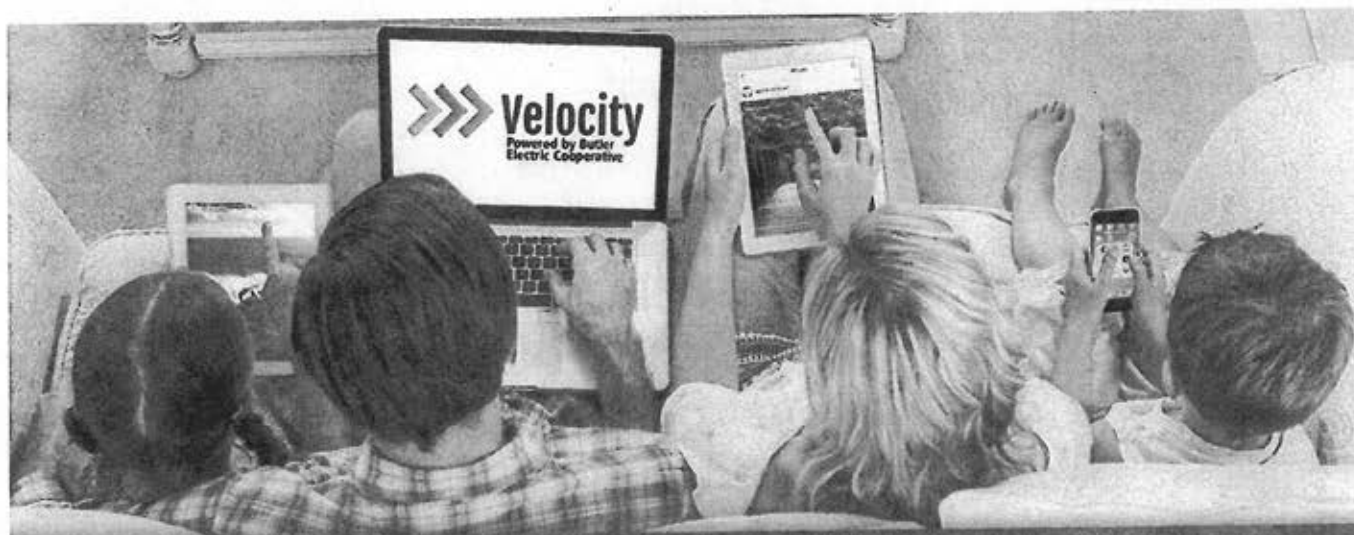

We do encourage ones to participate in the Prayer Ministry outside of our facility (see this elsewhere in the Manor's news).

We pray that God would use the Good News of the Gospel and the Resurrection of Christ to bless you, especially this month.

The great gift of Easter is Hope.

*Happy Easter from

LIBRARY REOPENING UPDATE

During the COVID-19 Pandemic, it has been our privilege to serve you with entryway pick up of library materials and of Whitewater Area Food Pantry (WAFP) orders since March 18, 2020.

Library staff has developed a multi-step plan for reopening the library and it is currently in the approval process.

Until that approval process is complete and we are allowed to move forward with our reopening plan, entryway pick up for all library materials and WAFP orders will continue.

There is no indication how quickly the approval for reopening will come but we do not anticipate foot traffic in the library before June 1. Keep in mind that reopening will happen in stages.

Please stay tuned for more information in this newsletter and at the usual reporting spots:

Friends of the Library *Chair-ity* Auction

Do you have wooden chairs stacked in a corner collecting dust? Would you like to donate those chairs to a great cause? Friends of the Library are planning a *Chair-ity* Auction in November as a fundraiser for Whitewater Memorial Library and Potwin Public Library.

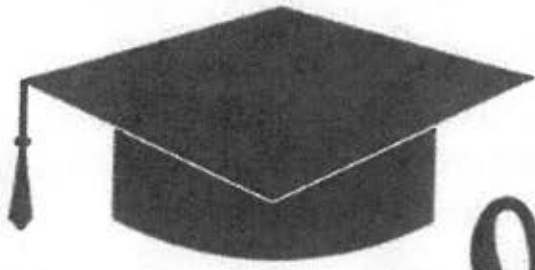

Please call 316-799-2471 (Whitewater Memorial Library) or 620-752-3421 (Potwin Public Library) about donating your wooden chairs. We are also in need of artists to paint the donated chairs. Chairs will need to be sealed with a paint sealant upon completion.

If you determine to paint a copyrighted logo, you must first get permission. A Friends of the Library board member (Karen Hujing, Pam Harber, or Lori Furgason) will help you with this process. If you would like to paint a chair, please leave your name and telephone number with your local library. Your donation of chairs and artistic talent are greatly appreciated! All proceeds go to programs at Whitewater Memorial Library and Potwin Public Library. If you would like to become a member of Friends of the Library Whitewater, please contact Pam Harber or Jean at the library.

Greetings all,

We are all going through some challenging times where social distancing appears to be the current normal. I, along with all the Sheriff's Department employees, are still on the job serving the county and the City of Whitewater. With the current Covid-19 situation Butler County has mandated safety precautions to be followed by all county personnel interacting with the public. This includes the wearing of a face mask while in close contact with the community. As a result, please don't be offended if I minimize interaction with groups, or talk to you from a distance. If you call 911 with a medical issue expect we will show up at your home wearing a mask and gloves. Again, this is for both your safety, and that of your family, as well as our safety and the safety of our families.

Also, as long as we are spending time at home, this might be a good opportunity to ensure your address is prominently displayed on your residence. Having your address clearly marked could save precious seconds or minutes for responding emergency personnel to reach you. In severe medical situations seconds could be the difference between life and death. Please, clearly post your address in a visible location on the front of your house.

Finally, I have had some recent complaints about subjects shooting firearms from the roadway and bridges into private property in the Whitewater/Potwin area. This is not only illegal but very dangerous. Kansas State Statute prohibits the discharge of a weapon from any roadway, or on (into) private property without the property owners consent. Offender(s) caught shooting off of the roadway or bridges will be prosecuted. Offenders shooting on or into private property will be prosecuted at the property owner's request. We want to ensure everyone's safety as well as protect livestock in the fields. (K.S.A. 21-6308 / Criminal discharge of a firearm)

If you have any questions please feel free to stop by the Whitewater City building or flag me down as I pass. I can also be reached by calling Butler County Sheriff (316) 322-4254 or e-mailing me at mwaclawski@bucoks.com

Thank you for your assistance and understanding in these trying times.
Wishing you all a safe, happy, and healthy spring

News from the Manor

Good Words from Chaplain Mike

We are continuing to provide spiritual care in this "lockdown" time. Chaplain is distributing daily devotionals during the week to residents. He is also reading them to those who are unable. Life Enrichment staff is helping with this and we very much appreciate that. In addition, Chaplain is reading Scripture, singing with and praying for those that need encouragement. We still do invite ones to come and have a prayer time outside the rooms that have the "praying hands" in the window—from 10 AM -12 PM daily until the quarantine is over. We are also putting local sermons on Wheat State Manor's Channel 2 that residents can access in their rooms all day on Sundays. Many thanks for your prayers. We do need them and appreciate them! Ephesians 6:18!

"PANDEMIC PARDON" IN EFFECT!

Because of the general discombobulation of life caused by the 2020 COVID-19 pandemic, many patron accounts accrued a lot of overdue fees on items not checked in for weeks.

So, overdue fees incurred during March, April and May have been wiped from each patron's account.

We did this on the computer and, as we all know, computers are only as smart as their operators, so if your account still shows overdue fees please give us a call. We will take care of those fees for you.

"By decree of the Director, we initiated our first ever (and last, hopefully) across-the-board Pandemic Pardon!"

MOVING FORWARD IS CHALLENGING

It took awhile to develop the library reopening plan, take it through the approval process, buy the supplies and implement the plan.

Despite the myriad theories and opinions out there, we feel the plan is appropriate for our situation even though it may not be what we all want at this time.

Thank you for your patience and flexibility as we work through the process. We know it is frustrating and challenging for you and it is for library staff, as well.

Please keep in mind that when the library closed per government mandate in March, we had just begun learning a new circulation system. Staff is now having to relearn what little they remember.

We are, however, excited to be serving you all again. We missed you. Welcome back.

SUMMER READING RE-IMAGINED

The 2020 Summer Reading theme was to have been "Imagine Your Story". However, due to the pandemic, limited library hours and no programming we will "RE-Imagine Your Story" this summer.

Of course we want everyone to read and listen to books, magazines, and music all summer long but don't worry about keeping track. Do it for the pure enjoyment of it.

Beginning July 1 we will offer Family Fun bags filled with lots of fun items and activities that families can enjoy together. We will suggest ways to use some things but want you all to use them in ways that are fun for you and your family. Register online or at the library.

Each bag contains a journal so that your family can record how you "RE-Imagined Your Story" during the summer of 2020. Also, we encourage you to record your family's 2020 pandemic experiences. Won't it be interesting to look back in 5 or 10 years and reflect on this most unusual of years?

This is a different type of library program but this is a different kind of summer. Make it one to remember and we'll see you next summer when we will be back to our regularly scheduled programming.

News from the Manor

Good Words from Chaplain Mike

We are continuing to provide spiritual care during our "lockdown" with daily devotionals, worship and songs in rooms, and personal visits. It is still uncertain when this time will come to an end. We are very grateful to our owner and supportive churches for their messages online through Facebook and You Tube. As mentioned last month, the residents are seeing these local sermons on Sunday mornings on the "in-house" TV channel in their rooms. Also, an outside fence is being constructed between Halls 2 and 3, that will provide a large triangular area for the residents to go out and get fresh air and sunshine! Weather permitting, it will be done soon. We very much thank the Wheat State Manor Board for approving this. We thank you for your prayers. We have prayed for YOU, also. Let us know how we can further pray for you and if there is anything we can do for you during this time. Psalm 18:1,2 are good verses for depending on God's strength during these challenging times. God's blessings to all.

Fun & Games

Staff and residents celebrated Nursing Home Week with some fun activities. Several made and entered a paper airplane contest. The flight line was Hall Three with Austin Tice as our staff winner and Jeff Wilson our resident winner. A photo shoot was held with residents dressing in funny hats and such. Share your Wisdom Wednesday allowed all to post a note about "what you would tell your younger self". Dean Hopkins and Debbie Norman performed a mini concert outside the Dining Room window for us to enjoy. Staff also decorated face masks and our residents served as judges. Victoria Parsons was our winning artist. It was a fun week for all!

People are still discovering that **the library is open now** but with limited hours (10:00 am-1:00 pm) and services (checkouts as usual, scan/fax and 30-minute computer sessions on 1 computer *by appointment only*).

At this time, face coverings are required for entry with exemptions as stated in Gov. Kelly's latest mandate.

Some of you will be excited to know that, although not all libraries in Kansas may be open yet, **Inter-Library Loan** is operating again. Call or come in with your requests and we will do our best to fill them.

Online reserves and phone reserves are still available with 24/7 entry-way pickup. Having trouble accessing your account online, call us for assistance.

Through a grant from the Whitewater Area

Chamber of Commerce, the library was able to purchase the **Chai Latte machine** from

Chelmsford Tea. It may say "Cappuccino" but don't be fooled by that. Flavors of CHAI TEA currently on tap include: Pumpkin Spice, Caramel, Chocolate and Vanilla or any combination thereof. Three sizes: Small-\$1.50, Medium-\$2 and Large-\$3 are available for carry-out.

The thing we are having the most fun with this summer is our **Family Fun Kits**.

Since there were no on-site summer activities, Miss Julie put together something that the whole family can enjoy at home or on summer trips.

The kits are full of all kinds of books to read alone and together, games you may never have heard of, crafts, recipes and fun things for the whole family to do together.

We have a few kits left so register today online or at the library.

Vehicle Inspection Officer Needed

The City of Whitewater is in search of a public officer to deal with junked, wrecked, dismantled, inoperative or abandoned vehicles. If a violation is found then a notice would be served. This notice would then state the steps involved in abating the matter or requesting a hearing. If you have questions regarding this position or are interested in filling this position please call the city office at 316 799-2445. (This is a paid position.)

News from the Manor

Good Words from Chaplain Mike

The privacy fence has been completed! Residents have truly enjoyed getting out for the fresh air and sunshine—sometimes three times a day. ☺ We are most grateful for the workers—Bill Henrie and Pastor Chuck McCrea.

Some of the devotionals that Chaplain has delivered or read to residents, in recent days, have been on the names of God and the attributes of God. One of the names of God from Genesis 22 is Jehovah Jireh (see verse 14). This is what Abraham called the name of the place where he was supposed to sacrifice Isaac. It means, "The Lord Will Provide." During this pandemic time, it is a wonderful reminder of how the Lord can provide our needs—spiritual, physical, mental and emotional. But He also uses our fellow human beings, so we thank you for whatever part you do in supporting the home and its ministry. God bless you.

June 19, 2020

Dear Friends and Family,

As you are all aware, every nursing home in America was locked down in mid-March because of the COVID-19 pandemic. This order was given by the Federal Government as a way to protect and isolate our most vulnerable population who are elderly residents in nursing homes with underlying medical conditions.

We stopped admitting new people immediately and concentrated on caring for the residents we had. We implemented enhanced cleaning and rigorous health screening of staff on every shift, every day. These systems are still in place.

As of this date, there have been ZERO cases of COVID-19 here at Wheat State.

You are probably hearing now about opening the nursing homes for visitation. It will be a complicated, slow process. We are required to submit a re-opening plan to the Butler County Health Department which will outline how we will open up visitation to outsiders. The plan will include the following elements:

1. Create a plan for COVID-19 testing of staff and residents, and when this plan would be implemented. [Testing is not mandatory, but there may be a point where we have to do testing.]
2. Create a plan for reporting suspected and confirmed cases to the government as well as the families.
3. Create a plan with a phased approach to reopening, based on factors identified in consultation with County Health Officers. The timing would lag behind the opening of the rest of the county.

We don't know how long this process will take, but rest assured, we will take every precaution to move forward as soon as it is safe to do so.

The hardship that this closing has created for our residents and those who love them has been huge. While we have been able to give them sunshine, fresh air and good care, we still need our families and community.

We offer video conferencing with residents and you can call me during business hours if you have questions.

News from the Manor

Good Words from Chaplain Mike

Our Administrator, Mike Smith, has given out these requests for the Manor. We appreciate your prayers. Ephesians 6:18!

- For the Lord to be ever present to the families and residents in this time of separation.
- For the leaders of Wheat State, that they be guided safely through the process of re-uniting families.
- For the staff to continue to be of good cheer in their service to the residents.
- For our community and the churches who have endured separation of their loved ones.
- For our government that they be filled with wisdom, compassion and courage in their duties.

NORTH BUTLER 4-H CLUB

The North Butler 4-H Club met on Monday August 10, 2020 for their monthly meeting. The meeting was called to order by President, Shelby Henley. Cora Brackenridge led the Flag Salute. Ella Amend led the 4-H Pledge. Roll call was answered by "My Favorite fair project was" by 12 members in person and on zoom. The minutes of the last meeting were not available. Treasure's report was read. Debora Claassen recognized those members with an August birthday. She reminded the club that the Kansas State Fair would be virtual this year and entries are due August 27, 2020. She also encouraged members to start working on their record books. The program began with Carson Brackenridge giving a project talk over his Buymanship outfit he took to the County Fair. Makenzie Creekmore presented parliamentary procedure rules. Rustin McLaughlin led the club in "Old McDonald". Desiree Ingalsbe completed the program by showing the club her paintings she took to the County Fair. Members signed up for offices they would like to hold in the next year. Elections will be held at the next meeting. As part of a community service project, members brought their fair projects and made a short video to show residents at Wheat State Manor. The next scheduled meeting is on September 14th, 2020 at 7:00 pm at Emmaus Church with precautions and zoom meeting will be available. -Ella Amend, Club Reporter

News from the Manor

Good Words from Chaplain Mike

With the COVID pandemic and national crises, Christians increasingly recognize that they are, first and foremost, in a spiritual battle in their lives. Ephesians 6:10-18 speaks of that battle and the spiritual armor needed. The passage begins with the words of verse 10: "Finally, my brethren, be strong in the Lord, and in the power of his might." Amy Carmichael (1867-1951) was a missionary to India during her lifetime and had an orphanage for girls. She also wrote devotionals and poetry. One writing, "Flame of God," is appropriate for Christians in today's world:

"From prayer that asks that I may be
Sheltered from winds that beat on Thee,
From fearing when I should aspire,
From faltering when I should climb higher—
From silken self, O Captain, free
Thy soldier who would follow Thee.

From subtle love of softening things,
From easy choices, weakenings,
(Not thus are spirits fortified,
Not this way went the Crucified.)
From all that dims Thy Calvary,
O Lamb of God, deliver me.

Give me the love that leads the way,
The faith that nothing can dismay,
The hope no disappointments tire,
The passion that will burn like fire;
Let me not sink to be a clod—
Make me Thy fuel, Flame of God!"

2020 FRED FEST LIBRARY EVENTS REPORT

Wasn't the Frederic Remington Festival extra fun this year? The weather couldn't have been better and we were all ready to get outside and have some fun!

The help we had setting up and tearing down the Friends of the Library Book Sale was phenomenal! Setup usually takes 2 hours but only took one, and cleanup took less than the usual hour. Thank you, helpers!

The S&B Ladies of Whitewater donated the cutest ever book-themed quilted wall hanging that was won by Lori Furgason. A big "thank you" to Pam Harber, Karen Hujing, Sandee Zerker, Karen Eaton-Hinz, Jocelyn Shields, Liz Vogel, Betty Hansen, Barb Koontz, Jane Goering and Margo Schrag for sharing their creative gift with us.

Funds raised from these 2 events will help fund special library projects.

It was "all hands on deck" for the Handprint Banner. In addition to the in-progress 2020 banner, those from 2018 and 2019 were also displayed for comparing hand size from year to year. In case you were wondering, Miss Julie is the artist that paints the festival logo in the middle of each banner. If you'd like to see it, stop by the library.

The Fun Cycles were never idle in the two hours they were running; a lot of fun for children and adults.

See the next page for Kids' Pedal Tractor Pull results.

News from the Manor

Good Words from Chaplain Mike

In my daily visiting with the residents during these days, Scripture, hymns and prayer have been very important and uplifting. Ephesians 6:18 instructs Christians about prayer: "Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints.." Here are the words of a hymn about prayer, written in 1876 by Mary Ann Pepper Kidder.

It asks some convicting questions to a believer in Christ:

Ere you left your room this morning,

Did you think to pray?

In the name of Christ, our Savior,

Did you ask for loving favor,

As a shield today?

When you met with great temptation,

Did you think to pray?

By His dying love and merit,

Did you claim the Holy Spirit

As your guide and stay?

When your heart was filled with anger,

Did you think to pray?

Did you plead for grace, my brother,

That you might forgive another

Who has crossed your way?

When sore trials came upon you,

Did you think to pray?

When your soul was bowed in sorrow,

Balm of Gilead did you borrow

At the gates of day?

CHORUS:

Oh, how praying rests the weary!

Prayer will change the night to day;

So, when life seems dark and dreary,

Don't forget to pray.

Enough said. ☺

We now have an ice cream truck at the Manor. With a little help from Maintenance and an old electric wheelchair Tricia Fee is able to drive and deliver cold treats to our residents. It is complete with music and flashing lights. It is a huge hit with residents and staff alike. Thank you Mary Hopkins for purchasing it for us!

Bring your little goblins to the foyer of the Manor on October 29th from 3:30-5:00pm. We will have bags of candy prepared for pickup. Please walk past the Solarium windows on the East side of the building so our residents can wave as they watch the "monster parade"

Greetings all,

As some of you may already know, I have been reassigned to the Buller County Sheriff's Division of Training & Standards and will now be working out of the Sheriff's Office in El Dorado. It has been my pleasure being your deputy over the last several years and I will always value the new friends I have made in Whitewater. You will still see me making occasional appearances in town for festivals or just to say hello.

I will be replaced by Butler County Sheriff Deputy Brandon Ruth. Deputy Ruth was raised in Butler County and is an Army veteran that was assigned to the Army Military Police. Deputy Ruth has been in law enforcement for 10 years, 3 years with the Butler County Sheriff's Department, and has worked both the Towanda and Douglas contracts. He is also a Ham Radio operator and FAA certified Drone Pilot which will come in handy trying to track cattle through corn fields.

Please feel free to stop by the City Building to say hello to Deputy Ruth or just flag him down as he drives past.

I hope you give Deputy Ruth the same warm welcome and support you all gave me. I can positively say Deputy Ruth will work hard to provide a high level of caring and professionalism you deserve.

Thank you all for your many years of support.

Opportunity for Local Businesses & Organizations to Partner with RES

(And it's **COMPLETELY FREE!** Hear us out!!)

At RES, we place character development at the center of what we do! Our school has adopted a set of core values called The Big 3. We believe if kids can learn to live these at a young age, they are more likely to have high character as they age up! (Side note: check out the poster below on the left. Underneath each of our core values is a bulleted definition of what it looks like to live out our values.

Those were written by students—this year's 4th grade class, to be specific! How awesome is that?!)

We believe that your business, as a part of our community, can play a role in bringing awareness to and reinforcing how important our core values are. (See the graphic below on the right.)

If you would like to display a free poster of The Big 3 (the graphic below on the left), customized with your business name, please email Kathy Headrick (kjheadrick@usd206.org) and RES will provide the poster to you.

If you have a social media or online presence for your business, we will be happy to customize a digital graphic that you can use online.

Remington Elementary School would like to invite families and our local community to engage with us to develop success-spurring character traits in RES Colts. Here's how we hope it works.

REDESIGN:

School

Family

Community

The school role in character education is a basis for all other learning within the school building. Kansas was the first state in the nation to adopt a set of Social, Emotional, and Character Development (SECD) standards. Schools who are using character education are seeing increased math achievement, narrowed reading achievement gaps between experimental and control schools, and significant decline in suspensions and expulsions (www.excellenceandethics.org).

The family role in character education is central to a child's positive character development. In addition to the teaching children already receive from their families, we are asking families to reinforce and discuss character lessons that students are being taught at school.

Each month, parents will receive a newsletter introducing the new Big Idea for the month. When they sign and return the section at the bottom, it tells RES staff the family is aware of the current Big Idea and that they will discuss it when they can in their home. That family reinforcement of positive character traits is so critical!

The community role in character education helps to reinforce positive character traits that the school and family are teaching and modeling. Businesses and organizations who have chosen to display RES's Big 3 graphic support our message—that positive character is beneficial to students, to adults, to businesses, and to organizations.

Good Words from Chaplain Mike

We have been going through the book of John for weekly devotionals for the residents. In chapter 7, Jesus made an offer in verses 37-39: "On the last day, that great day of the feast (i.e. Feast of Tabernacles), Jesus stood and cried out, saying, 'If anyone thirsts, let him come to Me and drink. He who believes in Me, as the Scripture has said, out of his heart will flow rivers of living water.' But this He spoke concerning the Spirit, whom those believing in Him would receive; for the Holy Spirit was not yet given, because Jesus was not yet glorified."

There is a good explanation of how this invitation was related to the feast going on. It is given by Dr. John MacArthur, Pastor, who comments in his study Bible, "At the temple during this feast, while onlookers watched, the priests would march around the altar with water in a golden container while the temple choir sang Psalms 113-118. The water was offered in sacrifice to God at the time of the morning sacrifice. The use of the water symbolized the blessing of adequate rainfall for crops. Jesus used this event as an object lesson and opportunity to make a very public invitation on the last day of the feast for His people to accept Him as the living water."

We can't be neutral about Jesus. We are either for or against Him. An old hymn by Albert Simpson is entitled, "Jesus is Standing in Pilate's Hall." It is also known as "What Will You Do with Jesus?" Google it and find out the very good and convicting words.

News from the Manor

Good Words from Chaplain Mike

Having just finished a season of Thanksgiving, a signature thing to be thankful for in December is our Savior coming into the world to die for our sins. Philippians 2: 5-8 is a well-known passage about Him leaving His home in heaven and coming down to earth: "Let this mind be in you, which was also in Christ Jesus: who being in the form of God, thought it not robbery (i.e., a thing to be grasped) to be equal with God: But made Himself of no reputation, and took upon Him the form of a servant, and was made in the likeness of men: And being found in fashion as a man, He humbled Himself, and became obedient unto death, even the death of the cross." What a wonderful thing God did because of His love—sending a Savior to be our substitute for the punishment due to us! A beautifully written hymn, "Down from His Glory," states this humbling of the Savior: "Down from His glory—ever-living story—My God and Savior came, and Jesus was His name; Born in a manger to His own a stranger, A man of sorrows tears and agony!" Another great hymn with this same theme is "Born to Die Upon Calvary." You can google it on You Tube. Jesus still extends the invitation to come to Him as Savior in John 1:12: "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name."

We still play BINGO on Friday afternoons as we continue to social distance. Sometimes family members join us virtually as seen above. Our residents love to play BINGO and like to keep track of how many Blackouts they get.

Our residents enjoyed a day of papering for some much needed haircare. Thanks to a generous donation from the Federated Church, all residents received haircuts and the women received styles as well. Lauren Thiessen is our new hairdresser here at the Manor. She had appointments from 9:00am to 4:00pm on her first day. They were all so grateful. Thank you Lauren and Federated Church!

EARN CASH FOR YOUR SCHOOL

LITTLE BY LITTLE WE CAN MAKE A BIG DIFFERENCE

Dear Families,

During this challenging time our teachers and students need more help more than ever.

No matter what school looks like, Box Tops for Education is a fast and easy way for you to help out from home.

The Box Tops program has been around for over 20 years, and it really works. In 2019 the Box Tops program evolved to become digital so that you can earn for your school with just the touch of a button.

Here's How it Works:

All you need is your phone.

1) Download the Box Tops app, and pick your school (Remington Elementary or Remington Middle School)

2) Shop as you normally would,

3) Then use the app to scan your store receipt within 14 days of purchase.

The app will identify Box Tops products on your receipt and automatically credit your school's earnings online.

Great News! If you shop for groceries online, you can now submit your email receipts from select retailers to earn Box Tops for your school.

How it works:

1) Make sure you have a Box Tops for Education account (you can create one via the Box Tops app or website) BTFE.COM

2) Forward your email receipt to: receipts@boxtops4education.com using the same email that's associated with your Box Tops for Education account.

3) Box Tops will be credited within 1 business day and you can view your earnings in the MY EARNINGS section or the app or your activity section of the website.

Twice a year, your school will receive a check and can use that cash to buy whatever it needs, equipment, supplies or experiences the kids love!

If you discover a traditional unexpired Box Top clip on a product, you can still clip it and send it to school. Every valid Box Top clip is worth 10 cents for your school.

Thank you for helping your schools!
