### **CITY OF WHITEWATER BID FORM - ATTACHMENT A**

**Project Name:** ADA Compliance - Corner Ramps - Phase 1  
**Project Location:** Main, E. Topeka & S. Elm, Whitewater KS  
**Owner:** City of Whitewater

Date: \_\_\_\_\_

#### 1. Bidder Information

COMPANY NAME: \_\_\_\_\_

CONTACT PERSON: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

PHONE: \_\_\_\_\_ EMAIL: \_\_\_\_\_

#### 2. Scope of Work

The following items represent the expected work and deliverables for the installation of ADA-compliant sidewalk ramps at designated intersections:

##### Site Preparation:

- Locate and mark all utilities (Call 811 before digging).
- Remove existing concrete curb, sidewalk, and/or pavement as necessary.
- Excavate and grade the area to prepare for new ramp installation.
- Demolition & Disposal
- Demolish and remove old non-compliant sidewalks or ramps.
- Properly dispose of all debris off-site in accordance with local regulations.

##### Ramp Installation:

- Construct new ADA-compliant curb ramps (minimum 4 locations).
- Include proper slope, width, and landing dimensions per ADA standards.
- Integrate truncated domes/tactile warning surfaces as required.
- Sidewalk & Transition Areas
- Install or replace adjoining sidewalks as needed to provide smooth transitions.
- Ensure no abrupt elevation changes, gaps, or trip hazards.

##### Curb & Gutter Work:

- Reconstruct curbing and gutter sections disturbed during ramp installation.
- Ensure proper water drainage and flow.
- Backfill & Surface Restoration

- Backfill edges and disturbed areas with soil or gravel as needed.
- Restore grass, sod, or other landscaping adjacent to work areas.

**Traffic Control & Safety:**

- Provide necessary signage, cones, barriers, and pedestrian detours during construction.
- Follow all safety guidelines for work zones.

**Compliance Verification:**

- Verify all ramps meet ADA standards, including maximum slope (1:12), minimum clear width (36"), and detectable warning surfaces.
- Final inspection by City Superintendent or designated engineer.

**Cleanup:**

- Remove all tools, materials, equipment, and signage.
- Leave the area clean and safe for public use.

**Documentation:**

- Submit as-built drawings if required.
- Submit permit application.
- Provide documentation of materials used (e.g., tactile mats, concrete mix)
